My Communication

Ability WA will communicate with you in lots of different ways.

We use both email and post.

- Written information about our 'Customer Reference Group' and if you want to join in. This group gives information to Ability WA about how to make their services better.

- Information about ways Ability WA might want to use a photo or story about me in newsletters or on social media, such as Facebook.

- Information about fundraisers and events that Ability WA are running that I might want to go to.
